THE MANY LIGHTS OF CHRISTMAS!

Have you noticed that more people are decorating again? It seemed as if decorating the outside of our homes had trickled to only a few houses on the street. Everyone had the big old colored bulbs and used them. But after the introduction of the much smaller "twinkle lights" as they're called, for some reason people stopped decorating. Then the icicle lights hit the market and lighted reindeers in the yard. Tube lights here and there and candle lights in the window. Blow up figures made the scene and lighted candy canes to light our pathways. In this wonderful season of light it almost makes you wonder what's next? How about the star in the east? Most of us can't remember a time before there was light. For the people of Jesus' time darkness and light made up their world. One stayed inside at night for that was when evil occurred. And yet the magi followed the light of the star "until it came and stopped over the place where the child was." These wise men were among the first to see the new born babe - the light of the world! It's no wonder that we use lights to usher in this season, for we celebrate He who is the light, our light! Yet darkness surrounds us. People live in agony in a world full of destruction, crime and hate. And we still fear the darkness - what lurks in the night and in the darkness of our hearts. But Christ can be that light, IF we let it shine. For the light of Christ is the peace and joy, the hope and love, the charity and giving that was Jesus Christ and can be ours if we open our hearts to the message of the gospel and live his life! So, we can decorate the outside all we want but if we fail to have the light within it's a waste of time. May Christ always be your light!

God Bless You!
Rev. Kev
