**YOUR FAITH HAS SAVED YOU...**

© J. S. Pichel Co., Inc.

Well maybe, in a round about way? Especially you, Dad! Because if being saved could mean that you don't have to read this column because I lost it, you've been saved! What do I mean? Well I wrote this long column on the gift of salvation, on faith and works, who is saved, hypocrisy and all that stuff. Then as I thought I was saving it, I lost it? We put in search words to find it in the hard drive of the computer – it was gone! All I could think was... "Please? I can't write that again!" What a Father's Day present! So instead, in honor of Father's Day I decided that we might write something here instead in honor of our Dads? So, while my Dad died 8 years ago, here's to you Dad! May all of your days be blessed!

**I Thank You Dad, Today**

Thoughts of you come drifting back  
Within this heat of mine  
I take a trip to yesterday  
Another day in time.

A time when I was growing up  
And you were always there  
Put to the test, you did your best  
You handled things with care.

For holding out, not giving in  
When others got their way  
For saying no, my strength did grow  
I thank you dad, today!

To you I owe so many thanks  
For teaching right from wrong  
For many lectures you bestowed  
I sing a different song.

I thank you for the sacrifice  
Of working everyday  
For all you've given in this life  
I'm thanking you today!

I thank you for your faith so strong  
For many days in church  
For leading me to Jesus Christ  
I did not have to search.

For all I am, I owe to you  
You surely led the way  
So many lessons learned in life  
I thank you dad, today!

May God Bless  
Rev. Kev

Please pray for the men and women who are serving in the military, especially those from our parish.
